

CAMPING FAQs

WHAT CAN GO ON A CAMPSITE SITE?

A site can have one vehicle on it with something in tow as long as it's no more than 70' in length. In other words, an RV pulling a race trailer, a truck pulling a camper/pop-up. No *extra* tents can be added to the site due to the need for space safety separation.

CAN WE PUT A TENT ON A GENERAL CAMPING SITE?

Yes. But it cannot be added to a site occupied by another camping vehicle.

DO YOU HAVE A SPACE JUST FOR TENTS?

Yes there is a tent only reserved area. The spot will find a car or truck plus a tent. One tent per spot.

DO I HAVE TO BUY A CAMPING PASS IN ADVANCE?

No as long as they don't sell out in advance! We have the spots we have. We cannot find another area to add more on the fly. That is why we recommend you get a camping pass in advance. That way you know you have a spot.

IF YOU HAVE SPOTS LEFT WILL YOU SELL THEM AT THE EVENT?

Yes of course. But again, we have the spots we have and once they are filled, we cannot offer more.

CAN I RESERVE A SPECIFIC SPOT/LOT?

Unfortunately no. Our system isn't that sophisticated for a one time a year event! Only "Premier Camping" is one specific lot.

WHAT TIME DOES THE GATE OPEN/CLOSE?

Gates open at 12 noon on Thursday. THERE IS NO ADVANCE STAGING AREA. There is no place to wait for that gate to open so please do not come earlier. Camping gates officially open at noon on Thursday and close at midnight. Friday gate opening is 6am with a midnight closure. Saturday gates open at 6am. The camping gate will close at 11pm on Saturday.

I BOUGHT AN (INNER CIRCLE, SKY HIGH CLUB, HOLESHOT CLUB) TICKET. DO I STILL NEED TO BUY A TICKET FOR THE OTHER DAYS?

Yes, but you should wait and upgrade when you arrive. You have already paid for Saturday so you just need to pay the difference between the price of the multi-day ticket less the credit for a Saturday ticket.

DO I NEED AN ADMISSION TICKET?

Yes. You will need an admission ticket for the day of arrival through Sunday. In other words, if you arrive on Thursday, you need a Thursday-Sunday ticket. Arrive on Friday and you need a Friday-Sunday ticket. Saturday camping arrivals need a Saturday-Sunday ticket. You are welcome to leave earlier than Sunday but you still will need the Sunday ticket. Camping has returned to create a nicer experience for fans by removing the need to hurry in in the morning and hurry out after the event. As a result, support and security staff are hired around the clock for the entire run.

DO YOU HAVE HOOK UPS?

We do not have any direct hook ups. (This is a 3 night per year event.) However, there are several locations to get potable water on site throughout the weekend. And, no, we don't charge for it.

ARE THERE SHOWERS ON SITE?

Yes in camp lot 2.

I BOUGHT A TICKET FOR THE WRONG DAYS. WHAT DO I DO?

The easiest thing to do is call us and we can change the days with you over the phone. New tickets with the corrected days will be immediately emailed to you. The second option is to pay the difference when you arrive.

WHAT IS YOUR POLICY ON ALCOHOL?

We allow a six pack per day per person 21 and older. No glass bottles. You need to bring it when you first arrive as upon reentry it will most likely be confiscated.

MARIJUANA IS LEGAL IN NY. DOES THAT MEAN I CAN SMOKE AT YOUR EVENT?

NY allows it but we don't. Leave the marijuana home. Don't make us take it. You won't get it back.

ARE CAMPFIRES ALLOWED?

Right now we are saying yes. However, that depends upon the conditions at the event. If it's been a dry spell and the grass is dried out, camp fires will not be allowed. And keep in mind, a campfire is a maximum of 24" across. Bonfires are NOT allowed.

CAN I BRING MY DOG?

Yes but Fido needs to be friendly. Fido also needs to stay in your campsite and potty breaks are to be taken within your campsite. If your dog is leashed outside, it should not be unattended and its leash should not extend outside your campsite boundaries. People will be walking by and your dog should not be able to get near them. Clean up after your dog! No walking Fido around.

CAN I BRING A PIT VEHICLE?

Due the actions of people with pit vehicles at past events and insurance requirements pit vehicles are not allowed. We will have trolleys moving from 8am-7:30pm on Friday and Saturday and 8am-approx 3 pm on Sunday.

WHAT ABOUT DRONES?

Leave it home. We do not allow drones over the event site. Both FAA regulations and NYS drone laws prohibit the use of drones over a large event space.

PART OF MY FAMILY IS COMING LATER IN A SECOND VEHICLE. CAN THEY PARK AT OUR CAMPSITE?

Due to NYS safety regulations, no. But they can purchase an extra vehicle pass and park in a car parking area.

WHEN DO CAMPERS HAVE TO EXIT THE FACILITY?

Your camping pass is good through noon on Sunday. All campers must exit prior to noon on Sunday.

CAN I LEAVE TO GO TO TOWN FOR

Yes as long as you have your wristband on and your camping pass/parking pass on the windshield you can. All vehicles are subject to search upon entry and reentry.

IS THERE FOOD AND ICE FOR PURCHASE?

Yes to both. Food and ice are available starting Friday at 6:30am. Past experience has told us that campers make their own dinner so food sale grills usually go off in late afternoon. Bring cash as food vendors do NOT take credit cards.

DO YOU HAVE AN ATM ON SITE?

We have a contractor who brings 2-3 to the event. However, we encourage you to bring enough cash to get you to Friday. You never know with wireless technology when there will be a problem!

DO YOU TAKE CREDIT CARDS?

At the gate, yes. But there is a convenience fee to use them. Food vendors do NOT take them, however.
